This segment contains consumers who are likely to have estimated annual discretionary spend on alcohol and wine from \$331–\$726.

TV viewers

Football games attract some of the most engaged and diverse TV audiences, making them a prime opportunity for advertisers to reach highly attentive viewers. By understanding the nuanced behaviors of these TV viewers, brands can craft strategies that resonate with the full spectrum of football fans.

Cable Satellite or Streaming Network Subscribers

This segment contains consumers in households that are likely to subscribe to paid linear TV services such as cable, satellite, and/or virtual MVPD (e.g. YouTube TV, Sling, Hulu+LiveTV).

Streaming Video: High Spenders

This segment contains consumers who are likely high spenders of streaming video services (e.g. Vudu, Hulu, Netflix).

Cord Cutters

This segment contains consumers who prefer alternative Internet-based or wireless services (streaming) instead of cable TV.

Cable and Streaming TV Service Subscribers

This segment contains consumers who utilize both cable TV and or visual streaming services, blending traditional television with modern streaming for a comprehensive entertainment experience.

Paid TV High Spenders

This segment contains consumers who are likely watching traditional cable, satellite, and various streaming services and have watched two or more TVs in the past seven days. These households are hard-core TV watchers/enthusiasts willing to spend money.

Screen Size – Large

This segment contains consumers in households with a high probability of watching television on large screen televisions only.

Co-Watchers

This segment contains consumers in households with a high probability of watching television with others. These consumers watch television with others at least 60% of the time.

Footnotes

1. "Fair Lending Friendly" indicates data fields that Experian has made available without use of certain demographic attributes that may increase the likelihood of discriminatory practices prohibited by the Fair Housing Act ("FHA") and Equal Credit Opportunity Act ("ECOA"). These excluded attributes include, but may not be limited to, race, color, religion, national origin, sex, marital status, age, disability, handicap, family status, ancestry, sexual orientation, unfavorable military discharge, and gender. Experian's provision of Fair Lending Friendly indicators does not constitute legal advice or otherwise assures your compliance with the FHA, ECOA, or any other applicable laws. Clients should seek legal advice with respect to your use of data in connection with lending decisions or application and compliance with applicable laws.
