Notice to New Hampshire Consumers

Right to Security Freeze on Consumer Credit Report

You have a right to place a “security freeze” on your credit report pursuant to [RSA 359-B:24](#). Under New Hampshire law, what is commonly known as a credit report is referred to as a consumer report.

The security freeze will prohibit a consumer reporting agency from releasing any information in your consumer report without your express authorization. A security freeze can be requested in writing by first-class mail, by telephone, or electronically.

The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gains access to the personal and financial information in your consumer report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding new loans, credit, mortgage, insurance, rental housing, employment, investment, license, cellular phone, utilities, digital signature, Internet credit card transactions, or other services, including an extension of credit at point of sale.

The freeze will be placed within 3 business days if you request it by mail, or within 24 hours if you request it by telephone or electronically. When you place a security freeze on your credit report, within 3 business days, you will be sent a personal identification number or a password to use when you want to remove the security freeze, temporarily lift it, or lift it with respect to a particular third party.

A freeze does not apply when you have an existing account relationship and a copy of your report is requested by your existing creditor or its agents or affiliates for certain types of account review, collection, fraud control, or similar activities.

You should plan ahead and lift a freeze if you are actively seeking credit or services as a security freeze may slow your applications, as mentioned above.

You can remove a freeze, temporarily lift a freeze, or lift a freeze with respect to a particular third party by contacting the consumer reporting agency and providing all of the following:

- (1) Your personal identification number or password.
- (2) Proper identification to verify your identity.
- (3) Proper information regarding the period of time you want your report available to users of the consumer report, or the third party with respect to which you want to lift the freeze.

A consumer reporting agency that receives a request from you to temporarily lift a freeze or to lift a freeze with respect to a particular third party on a consumer report shall comply with the request no later than 3 business days after receiving the request by mail and no later than 15 minutes after receiving a request by telephone or electronically.

A consumer reporting agency may not charge you a fee to freeze, remove a freeze, temporarily lift a freeze, or lift a freeze with respect to a particular third party.

You have a right to bring a civil action against someone who violates your rights under the credit reporting laws. The action can be brought against a consumer reporting agency or a user of your credit report.
